Making Opportunities Visible

Students listening keenly to available opportunities

The University of Belize (UB) held its eight annual Opportunities Fair on February 14 2011 at Central Campus, Belmopan.

The Fair was held under the theme “Making Opportunities Visible” and it was designed to provide

students with relevant information regarding free scholarships, financial aid, and careers that will assist them in their decision with respect to their future and career.

Students had the opportunity to interact with representatives and officials from the respective participating organizations at the event.

Organizations included the United States Embassy, Mexican Embassy, British High Commission, Development Finance Corporation, Scotiabank, Belize Defense Force, Belize Telemedia Limited, and Cubola Productions.

Present for UB were Faculty of Science and Technology, Bookstore, Library, and Office of Public Information.
